

# Infection Prevention & Control Trainings

Jump-start your program with these ready-to-use trainings!

① Access the Project Firstline or QSEP trainings by clicking above or scanning the QR code

② Once your team has completed the trainings, Attest to your Facility Infection Control Training

We've made it convenient to access Infection Prevention & Control Trainings for your facility.

**Scan the QR code** below to view the ready-to-use **trainings**. Once your facility is done, complete the **Attestation** to let Telligen know.

**That's it!**
